Sir:

**REVOCATION OF POWER OF ATTORNEY  
AND GRANT OF NEW POWER OF ATTORNEY**

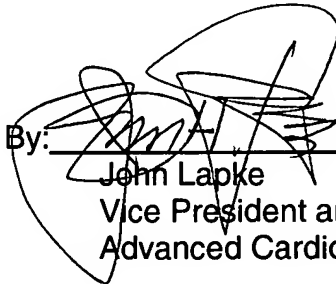

The undersigned, a representative authorized to sign on behalf of the assignee owning all of the interest in this patent application, hereby revokes all previous powers of attorney or authorizations of agent granted in this application before the date of execution hereof. The undersigned verifies that Advanced Cardiovascular Systems is the assignee of the entire right, title, and interest in the patent application identified above by virtue of an assignment from the inventors recorded in the parent application, Application No. 08/212,431, filed March 11, 1994, now abandoned, from which Applicants claim the benefit of priority under 35 U.S.C. § 120. The assignment was recorded in the U.S. Patent and Trademark Office at Reel 6908, Frame 0699. The undersigned certifies that the evidentiary documents have been reviewed and to the

best of the undersigned's knowledge and belief, title is in the assignee Advanced Cardiovascular Systems, Inc.

The undersigned hereby grants its power of attorney to **FINNEGAN, HENDERSON, FARABOW, GARRETT & DUNNER, L.L.P., Customer Number 22,852**, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, and to receive the Letters Patent.

Please send all future correspondence concerning this application to Finnegan, Henderson, Farabow, Garrett & Dunner, L.L.P., Customer No. 22,852.
